Submission of new claim listing

Applicants noted in a recent review of the file that claims previously canceled have been erroneously presented as pending in the response filed on January 30, 2004. This supplemental response corrects this error. In addition, claim 27 was canceled and claims 30, 40 and 44 were amended.

In the event that this paper is not accompanied by the full fee required for its consideration, the Commissioner is authorized to charge any insufficient or missing fees to RFEM's deposit account No. 02-2135. The Commissioner is also authorized to deposit any overpayment to the same account.
